March 3, 2025

With the full implementation of eFiling and the Court's Case Management System, we have expanded access to electronic court records and enhanced automation to process documents more efficiently. These improvements provide greater accessibility and support for attorneys and members of the public.

Effective March 17, 2025, the eFiling transaction fee in Marin County will increase from \$2.25 to \$8.00. This adjustment aligns with California Rule of Court 2.506 and Government Code §68150(1). This fee adjustment will help the court continue to support electronic access to court records and eFiling in Marin County.
